

Acceptable Use Policy:

Child:

_____ I agree to tell my parents/trusted adult if someone I do not know contacts me.

_____ I agree to tell my parents/trusted adult if I become aware of or involved in a cyber-bullying situation.

_____ I agree to ask my parents/trusted adult before opening any type of account or downloading any application to my computer, laptop, cell phone, iPod Touch or other personal electronic device.

Both Parent and Child:

I agree to keep all personal information private: others and mine. This includes:

I agree that a certain amount of online attention is inappropriate. This includes:

I agree that online communication with strangers is only acceptable when:

I agree that I will share my account information and passwords in the following manner:

_____ I agree that stealing music, videos and software from the Internet is equivalent to shoplifting. I will only download copyrighted material that I have paid for.

I agree that an appropriate amount of screen time is:

Weekdays:

Weekends:

I agree the computer, laptop, cell phone, ipod touch and other electronic devices will be used in these areas only:

I agree the computer, laptop, cell phone, ipod touch and other electronic devices will not go to bed with me, rather they will be charged in this location:

Parent:

_____ I agree not to over-react if I learn that my child has been contacted by a stranger or becomes aware of or involved in a cyber-bullying situation.

_____ I agree to talk before saying NO to additional technological devices and/or applications.

_____ I agree to do my due diligence to learn about my child's online community the same way I take interest in his/her activities and friendships in the physical world.

I agree to find an appropriate balance between monitoring, spying and privacy. This includes:
